Features

- 1 Insulation is Diplomat's own amazing fire resistant STYRONITE F. 
- 2 Each drawer is isolated from the others in fire.
- 3 The frame of drawer fits the body without play.
- 4 Tight construction of body and drawer prevents from smoke and heat.
- 5 One lock on top drawer can control all drawers.
- 6 Each drawer can be independently controlled.
- 7 Heavy duty suspension slide rails make the drawer move back and forth smooth and endure the weight up to 50kg(DFC, LGL, LTR) / 45kg(LFC).
- 8 Simply designed rimmed knob and card holder looks smart.
- 9 Electrolytic zinc-coated steel sheet used.
- 10 On the top quality antirust urethane primer and durable urethane leathertone finish make the surface brighter and more smooth, preventing from scratches or wornout.

Fire tested and certified by SP

Swedish National Testing and Research Institute
