

Basic Specifications

MODEL NAME		ER-290
PRINTER	TYPE	Wheel Type
	SPEED	3.2 Line Per Sec
	PAPER WIDTH	57.5mm
KEYBOARD		44 Raised
DISPLAY	OPERATOR	10-Digit VFD
	CUSTOMER	10-Digit VFD
MEMORY	ROM	512Kbit
	RAM	64Kbit
MEMORY PROTECTION BATTERY		60 Days
POWER REQUIREMENT		120V/60HZ, 230V/50HZ
POWER CONSUMPTION		Peak(35W)
DRAWER	TYPE	5B/5C, 4B/8C, 7B/8C
	PORT	1 Port
ENVIRONMENT	TEMPERATURE	32°F-104°F(0°C-40°C)
CONDITION	HUMIDITY	30%-80% RH
DIMENSION (W x D x H, mm)	SET	400 x 450 x 266 (With Drawer)
	DRAWER	400 x 450 x 112
WEIGHT		12.7 Kg
FACTORY OPTION		Water Proof Dust Cover

ER-290

Best Features

Automatic Tax Calculation

- 4 VAT or 2 Add on tax or 1 straight tax will give you the convenience of calculating various taxes.

300 PLUs

- 300 PLUs(Price look-up) feature to automatically price and track sales is for up to 200 fast moving items. This feature will lead to high throughput.

Real Time Clock-hourly Sales Reporting

- Printing the time, charging the data, and generating hourly sales reports are all possible. Hourly report data details the net sales and customer count for each hour of the day.

12 Departments

- 12 departments increase the ease of operation and point of purchase control in retail applications. Fast moving items can be easily checked for price and count.

Financial Reports

- A complete analysis of your department sales, function totals, and actual drawer totals gives you a thorough review of your business. This financial analysis feature will bring total control over your budget, stock status, etc.

Solution For the Mid-sized Retail Environment, with Effective Financial Reporting and Durable Construction.

This model provides rapid operation and ease of use in many applications. A 60 day memory protects all programming and totals against power failure.
